Dear Mr. Crompton,

Further to our telephone conversation of a few weeks ago, I am writing to you regarding the 1962 I.B.S. National Convention.

We at WYBC are very interested in acting as hosts for the Convention. Our association with I.B.S. dates back to the organization's formation when we were a charter member. There has been a continuing interest in the System as a medium of exchange among the college radio stations of the country. Unfortunately, we have been unable to attend the last several conventions due to conflicts and other commitments.

The facilities of Yale University and New Haven are more than adequate to handle the expected number (300-500). In checking with the University, they have given their tentative approval, pending the submission of a formal and detailed request for rooms etc. Train, plane and bus transportation are readily accesible. Hotel and other accomodations are available in a wide price range.

For us, there is the additional reason of the celebration of our 20th anniversary continuing through the coming Spring.

Let me suggest the dates of April 14th and 21st as options. Also, I would appreciate hearing from you on your views and details of the undertaking. As I have had a decent amount of experience with such meetings, I know there is much to discuss.

Sincerely,

Aaron Etra
Chairman
